On May 24, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the “Vaccine Act”). **RESPONDENT'S PROFFER ON AWARD OF COMPENSATION**

**I. Items of Compensation**

A. Life Care Items

For the purposes of this proffer, the term “vaccine-related” is as described in the respondent’s Rule 4(c) Report, filed January 26, 2018. All items of compensation identified as life care items are supported by the evidence, and are illustrated by the chart entitled Appendix A: Items of Compensation for Victor Walker, attached hereto as Tab A.<sup>1</sup> Respondent proffers that Victor Walker should be awarded all items of compensation set forth as life care items and illustrated by the chart attached at Tab A. Petitioner agrees.

B. Lost Earnings

The parties agree that based upon the evidence of record, Victor Walker has suffered a past loss of earnings and will suffer a loss of earnings in the future. Therefore, respondent proffers that Victor Walker should be awarded lost earnings as provided under the Vaccine Act,

<sup>1</sup> The chart at Tab A illustrates the annual benefits payable for life care items. The annual benefit years run from the date of judgment up to the first anniversary of the date of judgment, and every year thereafter up to the anniversary of the date of judgment.

42 U.S.C. § 300aa-15(a)(3)(A). Respondent proffers that the appropriate award for Victor Walker's lost earnings is \$103,651.14. Petitioner agrees.

C. Pain and Suffering

Respondent proffers that Victor Walker should be awarded \$230,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. See 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

D. Past Unreimbursable Expenses

Evidence supplied by petitioner documents Victor Walker's expenditure of past unreimbursable expenses related to his vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$16,347.00.

**II. Form of the Award**

The parties recommend that the compensation provided to Victor Walker should be made through a combination of lump sum payments and future annuity payments as described below, and request that the Chief Special Master's decision and the Court's judgment award the following:<sup>2</sup>

A. A lump sum payment of \$357,185.02, representing compensation for life care expenses expected to be incurred during the first year after judgment (\$7,186.88), lost earnings (\$103,651.14), pain and suffering (\$230,000.00), and past unreimbursable expenses (\$16,347.00), in the form of a check payable to petitioner, Victor Walker.

---

<sup>2</sup> Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

B. An amount sufficient to purchase an annuity contract,<sup>3</sup> subject to the conditions described below, that will provide payments for the life care items, as illustrated by the chart at Tab A, attached hereto, paid to the life insurance company<sup>4</sup> from which the annuity will be purchased.<sup>5</sup> Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner, Victor Walker, only so long as Victor Walker is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life

---

<sup>3</sup> In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

<sup>4</sup> The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioner agrees.

2. Life-contingent annuity

Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as he, Victor Walker, is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of Victor Walker's death.

3. Guardianship

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

III. **Summary of Recommended Payments Following Judgment**

- A. Lump Sum paid to petitioner, Victor Walker: **\$357,185.02**
- B. An amount sufficient to purchase the annuity contract described above in section II.B.

<sup>5</sup> Petitioner authorizes the disclosure of certain documents filed by the petitioner in this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System of Records, No. 09-15-0056.
